Jeshua

Introduction to Foreword

Rev. Don Knight was a devoted disciple of Jeshua’s teachings. He wrote several books in which he shared his wisdom and the understanding that he had gained from Jeshua and his own Unity ministry over the years. He was a close associate of Judi and Tom Coates, spending his last years in the same household.

Here is an excerpt from his book Being, which he writes under the name of Uno, which he felt Spirit had given him.

“Strong is the sense of individual personal I ness. Remember, though, that this is a fabrication you made with your own thinking process, and it is not an eternal identity. You are eternally Divine, and you have the power to rise above any I ness you might have. You have been spiritually ordained with the strength, the courage and the fortitude to overcome all things. In the Light of your own Being, all the false things are exposed to fall away into the nothingness from which they came to reveal what a treasured goal it is to live from the Heart. Living from the Heart, the mind being still, allows the radiant activity of Divine Love to be the outflowing expression, to bless one and all, that is the goal of life.”

Don (Uno) is greatly appreciated for the heart-felt foreword that he wrote for this book. The goal of studying this book is exactly as he said - to use Jeshua’s words of wisdom to “*lift our minds to a much higher perspective, to contemplate new ideas, to peer deeply into them, to meditate upon those ideas and to keep those ideas at the forefront of our attention until we understand them clearly.*”

Discussion Questions

- What passage in this forward touches your heart? Your mind? Your imagination?
- The greeting with which Jeshua begins each session is indeed profound. “Beloved and holy and only Child of our heavenly Father, Child of the one Source, Child of Light divine: That is who you are: Child of Light divine. Take that deeply within the consciousness and contemplate what that means.” I especially am stirred by his calling us all “Child of Light, Divine.” Rev Knight was also moved by it and asks us to contemplate what that means. This call to our Divinity is truly the theme of this book. How does this greeting resonate with your heart?
